

X75

Car type floor scrubber

X75 Car type floor scrubber provides users with professional floor cleaning solutions

PRODUCT FEATURES

New energy lithium battery

Equipped with a standard new energy lithium battery – green, eco-friendly, stable performance, and extended runtime.

Less noise

When using the machine, the noise is not loud.

Easy Operation

Simplified mechanical control panel: intuitive, straightforward, and user-friendly.

Tool-Free Maintenance

Engineered for tool-free maintenance with daily service points highlighted in bright yellow.

PRODUCT DETAILS

Dual Scrub Heads

Powerful motor paired with dual scrub heads delivers thorough cleaning efficiently, saving time and effort.

Front Storage Basket (Optional)

Optional front basket provides convenient storage for cleaning supplies and accessories.

LCD Display Panel

Features a high-definition display for real-time monitoring of machine operation.

One-Touch Start

One-touch operation starts the scrub head and lifts/lowers the squeegee. Smart, safe, and worry-free

TECHNICAL PARAMETER

JSXD75-XL6-STI				JSXD75-XL6-STI			
Clean Water Tank Capacity (L)	70	Dirty Water Tank Capacity (L)	75	Power of walking motor (W)	500	Maximum travel speed (km/h)	6
Squeegee Width (mm)	920	Cleaning Efficiency (m ² /h)	4260	Operating Time (h)	3.5-4	Charging Time (h)	4-5
